

You're exceptional. Expect the same.

Presenting the *Women's Imaging Center* at South Seminole Hospital – where caring specialists WORK TOGETHER with the finest technology to ensure your health. Whether you're scheduling a routine or diagnostic *digital mammography*, *breast ultrasound*, *bone densitometry* or *breast MRI*, there's comfort in knowing you have one convenient location for expedited appointments. You'll also have peace of mind knowing we're affiliated with the prestigious M. D. Anderson Cancer Center Orlando. Whether you're maintaining or regaining your health, you can rest assured that you've made the best choice.

TOGETHER, we're putting your health first. *When it matters most.*
Please call 321.842.6266 to learn more or for information on screenings.

SAME DAY MAMMOGRAMS AVAILABLE

521 SR 434, Suite #100, Longwood, FL 32750 | southseminolehospital.com
