

Opening Summer 2024

Walk-in Convenience, Expert Care, Located in St. Cloud

Our orthopedic experts offer the latest diagnostic and treatment options for injuries or illnesses that affect the bones and soft tissues in all ages.

Through specialized testing and other proven techniques, we provide care for orthopedic conditions affecting all areas of the body.

Because we are closely involved both in research and in the education of the rising generation of orthopedic specialists, the Orlando Health Jewett Orthopedic Institute team is a leader in the field of orthopedics. As a result, we offer you the latest, research-backed treatment options sooner than other orthopedic centers in the region.

On-Site Provider

Gabriela Acosta, PA-C

Fluent in English and Spanish

We evaluate and treat the following types of injuries:

- Head (sports concussion) care
- Sprains
- Strains
- Stress fractures
