

About OH's IRB Roster/Member List

Orlando Health maintains one roster and follows specific regulations and policies to determine how each individual panel that reviews research will be comprised. The Orlando Health IRB meets every 1st Thursday and 3rd Thursday of the Month (Subject to change, based on holidays). Meeting Locations are subject to change. Each convened IRB meeting that reviews research will include no fewer than 5 voting members and no more than 9 voting members. The Orlando Health IRB roster includes:

- At least 1 scientific member
- At least 1 non-scientific member
- Both men and women
- At least 1 person who is not otherwise affiliated with Orlando Health
 - These individuals may be referred to as "unaffiliated" or "community" members.
 - These members are identified in the list below in the "Affiliated" column.

About the IRB

Orlando Health is organized and operates in compliance with the US regulations and policies governing research with human subjects, as applicable.

- *Orlando Health's IRB is registered with FDA and OHRP.*
- *Orlando Health's voluntary Federal wide Assurance (FWA) has been approved by OHRP.*
