

ROAD CLOSURES AND DETOURS

The Orlando Health downtown campus is changing. Work has begun for the Orlando Regional Medical Center redesign and renovation project. Construction will be in phases, so this page will be the official source for up-to-date information to ensure visiting our downtown campus is accessible during any construction. On this page you will find information on construction, road closures, detours, and parking.

CONSTRUCTION AND ROAD CLOSURE DETAILS

- Kuhl Ave. at Copeland St. will be closed.
- The primary entrance into Orlando Regional Medical Center has moved. A temporary entrance is located at the side entrance of UF Health Cancer Center at Orlando Health.
- The valet parking loop at the entrance to Orlando Regional Medical Center will be closed.
- The valet service will continue and will be located at the loop in front of UF Health Cancer Center at Orlando Health
- People self-parking are encouraged to use the Patient and Visitor Parking Garage (palm tree murals) for ease of use.
