Hello Medical Community,

We appreciate everything you have done during these unprecedented times. To express our gratitude, we are pleased to present a newly created program to help you access premium Saucony footwear.

To keep you comfortable while on the go at work or living a healthy, active lifestyle, Saucony would like to provide a special offer of **50% off MSRP** on the following styles, while supplies last:

Ride 14	The perfect everyday trainer.
Triumph 19	Maximum cushioning for long lasting comfort
Omni 20	Extended medial post supports the body's natural alignment with added guidance
Endorphin Shift 2	A stable platform and touch of guidance allows for lots of feel-good miles, every day of the week.
Endorphin Speed 2	The ideal "workout day" shoe with a nylon plate that's versatile enough to handle anything.
Endorphin Pro 2	The most technical model in the Saucony line-up, designed with a carbon fiber plate to help step up your race pace.

If you would like to take advantage of this offer, please visit <https://www.saucony.com/medicaloffer> or scan the QR code below and enter **L4P-ZXZ-6FF-ZZX** during checkout.

Sincerely,
Anne Cavassa, President
and the Saucony Leadership Team
