

COVID-19 Virtual Visit and Testing

Throughout the COVID-19 threat, Orlando Health has been here with Central Florida to serve the healthcare needs of our community. Now, Orlando Health is here to support a safe work environment.

Orlando Health is offering COVID-19 Virtual Visits for your employees 18 or older who have symptoms of a possible coronavirus infection, which include fever, dry cough, headache and GI issues like diarrhea.

Anyone 18 or older who believes they have symptoms of COVID-19 can consult with a board-certified physician through Orlando Health Virtual Visit, 24/7, via smartphone, tablet or computer. Should the physician determine that your employee could possibly have COVID-19, arrangements will be made for the employee to receive testing.

To get started:

- Employees should download the **Orlando Health Virtual Visit app** to register their account, then enter their company code. **OR**
- Employees should go to **OrlandoHealth.com/VirtualVisit**, click on the COVID-19 tab and follow the steps to register for an account, then enter their company code.

FOR EMPLOYEES PRESCRIBED THE COVID-19 TEST

COVID-19 SELF-ISOLATION INSTRUCTIONS AND TESTING-SITE LOCATION

If the Virtual Visit physician prescribes a COVID-19 test, you will need to go to Orlando Health's temporary screening site located at 83 W. Columbia St., Orlando, FL 32806. The results take 24-72 hours to receive, so you will need to self-isolate from the time the test is taken until you receive your results and further instructions.

While self-isolating please remember to:

- **STAY HOME** except to get medical care.
- **SEPARATE YOURSELF** from other people and animals in your home.
- Wear a **FACE MASK**.
- **CLEAN** your hands often.
- **AVOID SHARING** personal household items.
- **CLEAN** all "high-touch" surfaces every day.
