Connected and Convenient

Primary Care

Orlando Health's primary care physicians are part of a vast network of more than 4,950 doctors. This means our doctors have the knowledge, experience and compassion necessary to manage your family's needs.

Specialty Care

With more than 100 different specialties, Orlando Health specialists provide a wide array of both inpatient and outpatient medical services. Featuring state-of-the-art facilities and a world-class staff, these services bring the highest quality healthcare to residents.

Urgent Care

Orlando Health has teamed up with CareSpot Urgent Care to provide you and your family with same-day treatment – including weekends, evenings and holidays. Orlando Health Disney Cast Advantage Members can also access care at Night Lite Pediatrics Urgent Care locations throughout Central Florida.

Virtual Visit

From urgent care to specialty care, our telehealth options can help you get the care you need, where you need it, 24/7. And for Disney plan members, there's a \$0 copay. OrlandoHealth.com/VirtualVisit

Safety Assurance

At Orlando Health, safety and protection for our patients, loved ones and employees are of the utmost importance. That's why we're confident that our facilities – from ERs to hospitals to physician offices – are the safest environments for giving and receiving care.
