# Reasons to Choose Orlando Health in 2021!

## Trusted Advisors in Care.

### Primary Care

Orlando Health offers access to a vast network of more than 3,100 physicians. This means our doctors have the broad range of knowledge, experience and compassion necessary to manage your family's needs.

### Specialty Care

With more than 115 different specialties, Orlando Health physicians provide a wide array of both inpatient and outpatient medical services. Featuring state-of-the-art facilities and a world-class staff, these services bring the highest quality healthcare to residents throughout Central Florida.

### Safety Assurance

At Orlando Health, safety and protection for patients, loved ones and employees are without question. That's why we're confident that our facilities - from ERs to hospitals to physician offices - are the safest environments for giving and receiving care.
