

Benefits for Physician Practices to join the Orlando Health Network

Incentives

- By improving quality and outcomes, physicians earn incentives through shared savings programs.

Purchasing

- Access to Orlando Health's group purchasing contracts and rates for practice supplies and vaccines.

Covered Lives

- Opportunity to contract directly with employers in a program that manages a large number of lives.

Care Management

- Help managing patients with chronic conditions to avoid complications that require higher-cost interventions.

Dashboards

- Track quality, cost and care-navigation patterns for your practice and network performance.

Population Health Initiatives

- Work with partners and communities to improve clinical outcomes among targeted populations.

Quality

- Learn evidence-based care measures that can drive quality improvements.

Prepare

- Learn how to transform your practice and manage patients in risk-based contracts.
