**Limited time offer

Disclaimers

1. Surgeon fees do not include initial visit; it is billed separately for \$250.
2. Anesthesia fees may be doubled if the payment is made after surgery. Please make every effort to pay this amount in advance **(888) 610-5651** or **(407) 896-9500**.
3. Total amount of self-pay pricing does not include: initial visit, preliminary testing or pathology needed for surgery.
4. Office visits are included for 30 or 90 days after surgery, depending on procedure. After the 30 or 90 days the patient will be responsible for his/her office visit charge as a self-pay patient.

If you have a plan exclusion for bariatric surgery, we will not be able to use your insurance for follow-up care. Follow-up visit copay will be \$162.

Full payment **MUST** be received prior to or on surgery date.

Prices subject to change at any time.

To schedule a consultation, call **(321) 843-8900**.
